Re: Keystone Sanitation Landfill
Adams County, Pennsylvania

Dear Mr. Towle:

This letter is submitted on behalf of Morton Buildings, Inc., 3370 York Road, Gettysburg, Pennsylvania, in response to the U.S. Environmental Protection Agency's information request on the Keystone Sanitation Landfill.

Response numbers correspond to inquiry numbers:

1. Morton Buildings, Inc. produces metal clad/wood frame buildings for farm, suburban, and commercial use.
2. The Gettysburg facility began operations in April, 1981.
3. Morton Buildings' home office is located at 252 West Adams Street, Morton, Illinois 61550.
4. Morton Buildings conducts metal roll and die forming; lumber cutting; column, purlin, and truss assembly; and loading operations at its facility.
5. Morton Buildings utilizes pre-painted steel and kiln dried spruce and southern yellow pine lumber as raw materials. Various petroleum products are used in the operation and maintenance of machinery and vehicles.

AR200922

Mr. Michael Towle

July 29, 1988

6. Spent petroleum products and solvents are segregated at the facility for pick up by authorized recyclers or disposers.

7. Morton Buildings has done business with Keystone Sanitation Company since April 1981.

8. Paper, cardboard, scrap wood, sawdust, and general office and lunchroom trash have been sent to the Keystone Landfill.

9. Keystone Sanitation hauls general facility trash and scrap wood to the Keystone Landfill and scrap metal to a local scrap yard.

Safety-Kleen recycles used parts cleaner.
Baumgardner accepts used oil.

10. None

11. None

12. None

13. None known.

14. Morton Buildings is investigating its insurance coverage and will inform EPA of any coverage at a later date.

Please address all future correspondence on this matter to the undersigned as attorney for Morton Buildings, Inc.

Very truly yours,

SEYFARTH, SHAW, FAIRWEATHER & GERALDSON
